

## **Producer/Production Manager within animation**

Do you imagine a future where you play a key role in an engaged and committed team creating professional animation projects?

Are you adept at facilitating creative production while ensuring excellent time management?

Do you thrive in a fast-paced environment and still deliver outstanding results?

As producer/production manager at AVdesign you will get the chance to work in a top professional, positive and encouraging work environment with like-minded individuals who have a strong passion within their field. We prioritize both opportunities for professional and personal development.

### **About us**

We are a Billund based international production company. AVdesign was founded in 2005 and now employs 16 colleagues including animators, CG generalists, producers, production assistants, sound designers, videographers etc.

We create a great variety of content across different platforms and support clients worldwide with a range of exciting projects.

Located together with My Instore Radio, our team comprises 26 skilled colleagues of different nationalities.

We are looking for a new colleague to join our animation team, where we have gathered some of the most skilled and dedicated enthusiasts from the business. The team consists of 7 people.

### **About the role**

The ideal candidate will have a strong background as a producer/production manager or within project management. Furthermore, an open mind and a flexible approach for a semi broad pallet of assignments is also a requirement. The job can vary from overseeing high end 3D production, creative sparing and quality control. We strive for an open and supportive way of working where sharing knowledge and ideas are highly valued.

Experience from the media industry, e.g. in animation production or other creative processes is a requirement.

The position requires both an interest in coordination on a high level as well as guidance in the creative process.

## **About you**

It is natural for you to interact with both clients and our in-house animators, CG Generalists, Motion Graphic Designer, Graphic Assistants and the other Producers. Most importantly, you bring a passion for coordinating.

To succeed in the role, it is an advantage to be outgoing and creative, be proactive and find it easy to adjust to changes in the project.

Furthermore, we appreciate you having a positive attitude, great at both teamwork and working independently, good communication skills - but fluent Danish is not a requirement as the work language is English.

## **Your profile:**

- Previous experience in a similar role working as producer/production manager.
- You will be able to demonstrate superb planning skills, and the ability to manage several projects at one time.
- Work independently and according to brief.
- Have excellent attention to details with expert timekeeping.
- Show initiative with a proactive problem solving and flexible approach.
- The ability to manage multiple projects at the same time and deliver to the agreed deadlines.
- Be a team player and willing to run the extra mile when required.

## **Additional information**

If you are interested in the position, we would like to hear from you soon. Potentially we are looking for someone to start immediately or as soon as possible.

The position is permanent and working hours are 37 hours per week. The role is based in Billund, Denmark. Remote working is not an option.

If you have any question about the job, please get in touch on: [application@avdesign.dk](mailto:application@avdesign.dk)

We look forward to receiving your motivated application and CV on: [application@avdesign.dk](mailto:application@avdesign.dk)

We will interview potential candidates on an ongoing basis and deactivate the job advert once the position has been filled.
